

→ THE EVER GROWING USE OF COPERNICUS ACROSS EUROPE'S REGIONS

DECLARATION ON INTELLECTUAL PROPERTY RIGHTS

This Declaration must be signed by the Lead Author on behalf of all co-authors for each Article submitted to the Call. It shall be compiled, signed, scanned and uploaded together with the corresponding Article and other requested documents (see point 11 of Instructions for Authors) on the Conftool software system.

Ownership

I undersigned _____, Lead Author of the Article entitled _____ (the "Article") and hereafter submitted under the Call for Publication "*The ever growing use of Copernicus across Europe's Regions*" (the "Publication"), declare in my name and on behalf of all co-authors **that we retain the ownership of all intellectual property rights** on the above mentioned Article.

Licence

By submitting the Article I, undersigned _____ grant, in my name and on behalf of all co-authors of the Article, to:

- the European Union (EU) represented by the European Commission, the European Space Agency (ESA), including Participating States, Persons and Bodies, a non-exclusive, worldwide, free of charge, unlimited and irrevocable **license** to publish, reproduce, transmit, distribute free of charge, display, store, translate, edit, extract, adapt the Article and create derivative work from it (in whole or in part) in all formats and media (whether now known or later developed) for the purpose of the EU and/or ESA activities. EU and ESA are also granted the right to sublicense these rights on the Article to any third-parties for the purpose of the EU and/or ESA activities.
- the Network of European Regions Using Space Technologies (NEREUS) and the Politecnico di Milano (POLIMI) a non-exclusive, worldwide, free of charge, unlimited and irrevocable **license** to reproduce, transmit, display, extract, translate, edit, the Article and create derivative work for the purpose of the Publication.

For the avoidance of doubt, **the Publication** shall mean collectively the EC/ESA/NEREUS publication, (including as set of Publication Sheets) and any associated videos, presentations, etc., generated by NEREUS and delivered to the Agency and the EU in the frame of the Copernicus Programme. The Publication includes, but is not limited to, abstracts, tables, figures, images, multimedia files that are directly embedded within the text and the text itself.

This license does not generate any transfer of author's rights. The author's rights on the Article remain with the Author(s).

Infringement

I, undersigned _____, in my name and on behalf of all co-authors of the Article, undertake and warrant that the Article does not infringe any third parties' intellectual property rights.
