

Bringing  
the benefits  
of space uses  
to regions  
and their citizens

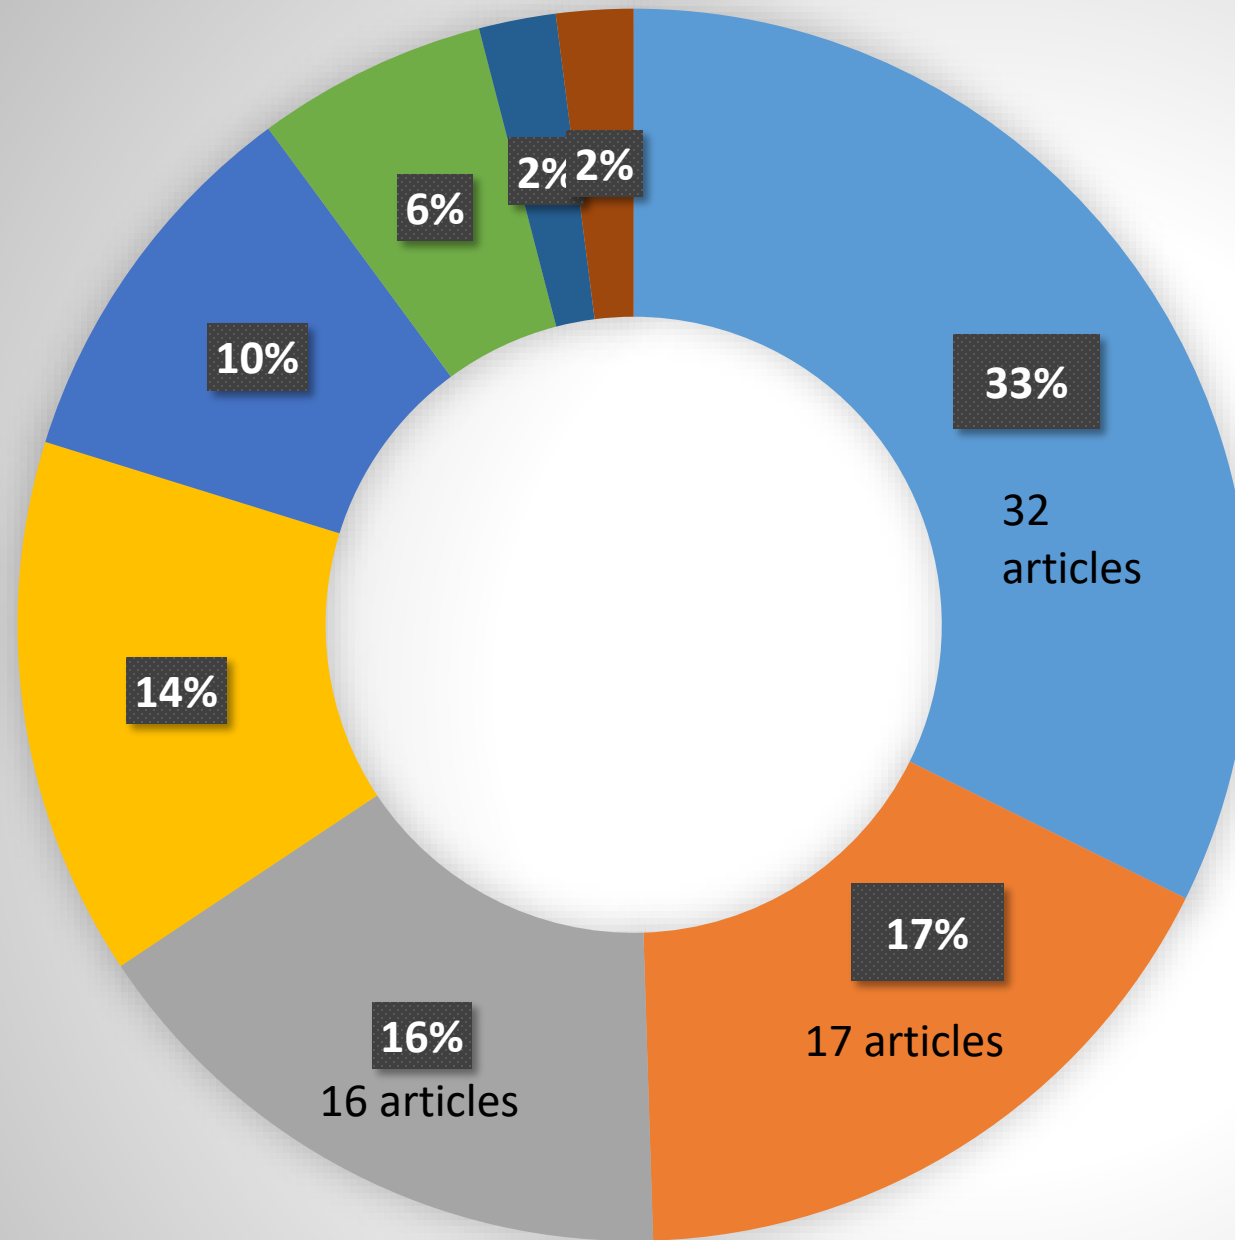

The graphic features logos for the European Commission, Nereus, and ESA (European Space Agency) at the top. The background is a satellite-style map of Europe with a white banner across the middle containing the text: '→ THE EVER GROWING USE OF COPERNICUS ACROSS EUROPE'S REGIONS'. Below the banner is a row of eight icons representing various sectors: a bridge, wind turbines, a classical building, a tractor, a truck, a sea turtle, a factory, and a stethoscope. At the bottom left is the Copernicus logo 'Europe's eyes on Earth', and at the bottom right is the hashtag '#Copernicus4regions'.

**Websession – Copernicus4regions**  
**Tuesday, 06th October 2020, 14.00h**

- **Practical Instructions for the teleconference:**
  - Please note the meeting is recorded for follow-up purposes
  - In order to ensure a good acoustic, please mute yourself, otherwise the moderator will mute you
  - You may at any time comment or ask questions at any time, please write a message addressed to everyone in the chat which we monitor continuously

# → THE EVER GROWING USE OF COPERNICUS ACROSS EUROPE'S REGIONS

- Agriculture, Food, Forestry and Fisheries,
- Biodiversity and Environmental Protection,
- Climate, Water and Energy,
- Territorial Management and Urban Planning
- Civil Protection,
- Tranports, Civil Infrastruture and Safety
- Public Health
- Cultural heritage, Tourism and Leisure

## Copernicus4 Regions

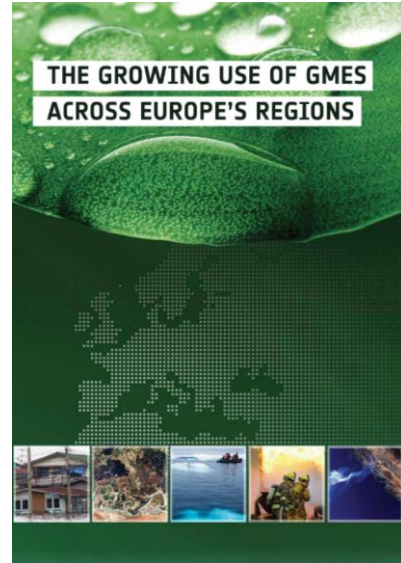

Making Situation  
and Needs at  
regional level  
more transparent

Developing strong  
advocacy tools for  
promoting the  
regional dimension

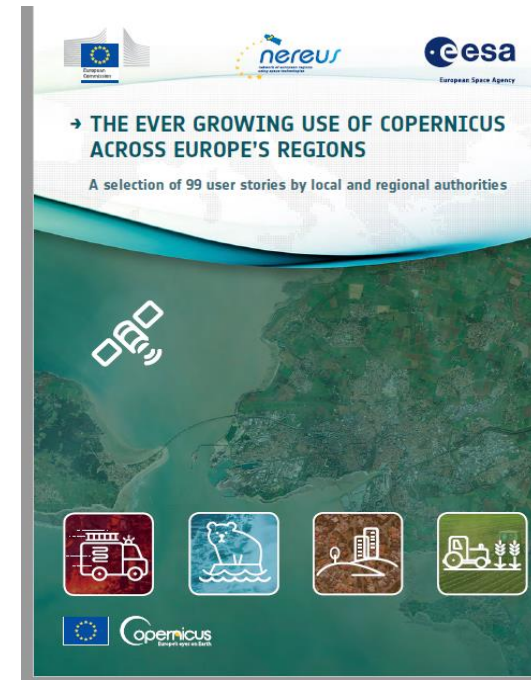

Enhancing  
regional  
cooperations/  
partnerships and  
best practice  
sharing

# Copernicus4 Regions

Longterm Partnership with European Commission (EC) and the European Space Agency (ESA) to promote EO/Copernicus at regional level

ESA-1

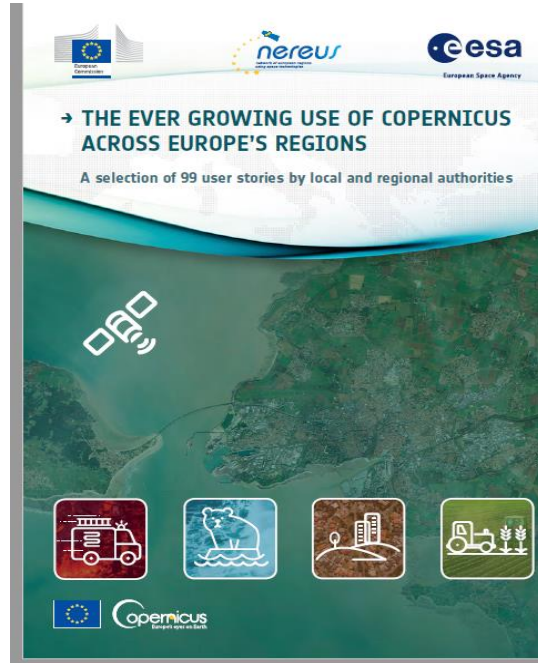

ESA-3
