

## Cooperation in the Space Sector between Bremen and Zuid-Holland **2021 Connecting Space Regions**

### SAVE THE DATE

Digitization: Connecting Space Regions

Tuesday May 18<sup>th</sup>, 2021, 10:00 AM to 11:30 AM (CEST)

Dear members and network partners,

Are you interested in getting to know more about **digitization** & current **space activities** in selected **regions** across the world? Then, **join** the **Connecting Space Regions Networking Series** on **Tuesday May 18<sup>th</sup>, 2021** between 10:00 AM and 11:30 AM (CEST) on the topic of **digitization**.

This unique event offers the possibility to get to know more about cutting-edge **digitization** in these two **space regions**:

- **The Netherlands:** mainly, but not exclusively Province of Zuid-Holland
- **Germany:** Free Hanseatic City of Bremen

Sign up [here](#) to register!

Speakers from SpaceNed, German Aerospace Center (DLR), AviaSpace Bremen, The Netherlands Organisation for applied scientific research (TNO), SCN Avatar (Dutch XR Development Centre for Space), SAM XL & European Digital Innovation Hub candidates Bremen and Zuid-Holland have already confirmed their participation.

### Draft Event outline:

10:00	Welcome (SpaceNed) and (Aviaspace Bremen)
10:05	GAIA-X – The European cloud alliance: Importance and use of data infrastructure for our regions <ul style="list-style-type: none"><li>- Federal Ministry of Economic Affairs and Energy (BMWi)</li><li>- TNO</li></ul>
10:20	Digital Aeronautics and Space Collaboration Labs DASClab: Mixed Reality – Cooperation project on digitization and capabilities in Bremen and Zuid-Holland by DLR and SCN Avatar
10:30	European Digital Innovation Hubs By Technical University Delft and NN Bremen

For further Information feel free to contact: [Hessel Kokke](#) (SpaceNed, +31 61870 3838), [Luise Weber-Steinhaus](#) (Aviaspace Bremen, +49 421 2208275), [Renate Beausoleil](#) (Province of Zuid-Holland, +31 65544 9079) or [Alexander Vorwerk](#) (Free Hanseatic City of Bremen, +49 176 4236 2119)

	European Digital Innovation Hubs (EDIHs) will function as one-stop shops that help companies dynamically respond to the digital challenges and become more competitive. Bremen and Zuid-Holland are both EDIH-candidates
10:35	SAM XL SAM XL is a collaborative research centre in Delft (Zuid-Holland) for smart advanced manufacturing of lightweight materials
10:40	Company Pitches Bremen
10:45	7 German (Bremen) companies Airbus Defence and Space, OHB, ZARM Technik, ArianeGroup, RADIUS Media, Neusta Aerospace & 1 more
11:00	Company Pitches Zuid-Holland
11:05	7 Dutch companies CGI, Technolution B.V., Thales Group & 4 more
11:20	Wrap-up and short introduction on the long-term matchmaking process provided by the Enterprise Europe Network (EEN)
11:30	Kick-off B2B matchmaking on Digitization (May 18 <sup>th</sup> , 2021 - Friday, May 21 <sup>st</sup> 2021)

**Register** under the following [link](#) for the event and pre-schedule business meetings with representatives from **space institutions and companies** located in **Zuid Holland, Bremen** and across Europe.

By registering, you can set up your **profile** and send out your **meeting requests** right now. Use the **Connecting Space Regions platform** to **expand** your **global network** and **individual B2B contacts!**

### **About Connecting Space Regions Event Series:**

The event series “Connecting Space Regions” aims to foster international cooperation in the area of aeronautics and space and is comprised of official keynotes, presentations and/or panel discussions. A unique longterm B2B matchmaking tool by the Enterprise Europe Network (EEN) enables participants to expand and foster their business contacts. Target audience are representatives from aeronautics and space institutions and companies (research, business & startups).

### **The next 2021 Connecting Space Regions events for your diary:**

2. Digital event on **Hydrogen** – Tuesday, **22<sup>nd</sup> June, 2021**, (10:00 AM to 11:30 AM CEST)

For further Information feel free to contact: [Hessel Kokke](#) (SpaceNed, +31 61870 3838), [Luise Weber-Steinhaus](#) (Aviaspace Bremen, +49 421 2208275), [Renate Beausoleil](#) (Province of Zuid-Holland, +31 65544 9079) or [Alexander Vorwerk](#) (Free Hanseatic City of Bremen, +49 176 4236 2119)

**B2B-Matchmaking on Hydrogen** by the Enterprise Europe Network – Tuesday, June 22<sup>nd</sup> – Friday, June 25<sup>th</sup>, 2021

3. Digital event on **European launch pad & micro launchers** – Tuesday, **September 14<sup>th</sup>, 2021** (10:00 AM to 11:30 AM CEST)

**B2B-Matchmaking on launchers** by the Enterprise Europe Network – Tuesday, September 14<sup>th</sup> - Friday, September 17<sup>th</sup>, 2021

4. In-person exhibition: **Space Tech Expo Europe** in Bremen, **November 16<sup>th</sup> – 18<sup>th</sup>, 2021**

With a special event on **Earth Observation** set up by SpaceNed and Aviaspace Bremen

**Connecting  
Space  
Regions**
