THE SAFETY AND SECURITY DIMENSION OF SPACE IV: EU Space Strategy for Security and Defence - the use of space for security and defence

TUESDAY 4 APRIL 2023, 09:30-10:30 am CET

The session is going to introduce the audience to the EU Space Strategy for Security and Defence. The European Commission jointly with the EEAS published the strategy as a communication on 10th March 2023. The discussion will focus on the use of space for security and defense. Companies and cluster representatives as well as other regional stakeholders are invited to take the floor to share their views on the use of space for security and defense. The webinar is part of a series of webinars exploring new approaches on developing synergies between space and safety/security/defense. Previous sessions are documented on the NEREUS-website: <https://www.nereus-regions.eu/category/events/defence/>

Programme Tuesday 4 April 2023, 09:30-10:30 am CET (moderated discussion):
