THE SAFETY AND SECURITY DIMENSION OF SPACE V: The Role of SME in the defense supply chain and sector

Monday 19 June 2023, 10:00-11:30 am CET

The session is going to present the Role of SME in the defense supply chain and sector. Companies and cluster representatives as well as other regional stakeholders are invited to take the floor to share their views on the use of space for security and defense. The webinar is part of a series of webinars exploring new approaches on developing synergies between space and safety/security/defense. Previous sessions are documented on the NEREUS-website: <https://www.nereus-regions.eu/category/events/defence/>

Programme Monday 19 June 2023, 10:00-11:30 am CET (moderated discussion):

Welcome by the NEREUS Secretary-General Roya Ayazi

Presentation by Paul ANCIAUX, European Commission

Presentation by Dr. Michael Linden-Vørnle, DTU Space – National Space Institute (tbc)
